

Directions: Read the boxed scenario. Then use it to complete the graphic organizer.

Problem: The Flawed Frame

Marisa had a family portrait framed to give to his mother for her birthday, a present she knows her mother will love. On the day, before her birthday, however, she notices a scratch in the frame that she bought. The store is closed for the owner's vacation, so she can't have it replaced before her mother's birthday.

Problem Statement

A scratched picture frame cannot be exchanged in time for Marisa's mother's birthday

Possible Solutions

exchange it later and give the present after her mother's birthday

give the present to her mother anyway, with the scratch in the frame

find another present for her mother
